S & S Paving & Construction Overview

S & S Paving & Construction is a Phoenix-based civil construction contractor specializing in paving, earthwork, site concrete, and construction management services across Arizona. The company has built a reputation for delivering high-quality roadway, asphalt, and infrastructure projects for municipal, commercial, and residential clients.

POSITION SUMMARY

Applicants **MUST** have five years' experience with an emphasis on Civil Construction. Experience with Heavy Bid, and Bluebeam is preferred, but not required if applicant has strong estimating background. Knowledge of activities concerned with Heavy Civil Construction projects including aggregate base course, asphalt paving of roadways, commercial parking lots and other surface maintenance activities. Actively participate in the conceptual development of a construction project from start to finish and oversee its organization, scheduling, budgeting, and implementation.

S & S Paving performs work for a wide range of entities including Federal, State, Local Municipalities, privately owned and joint venture projects.

4636 E. University Drive Suite #150 Phoenix, Arizona 85034

Applicant must be self-motivated and able to perform numerous aspects including takeoffs, site visits, gathering quotes, working with subcontractors, managing multiple estimates, and coordinating with other S & S divisions and personnel for projects.

ESSENTIAL FUNCTIONS

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily.

- Study job specifications and evaluate construction methods to determine cost impacts for estimates.
- Perform digital and/or plan takeoffs for project quantities and scopes.
- Contact vendors, suppliers, and subcontractors for quotes.
- Accurately forecasts costs of earthwork and utility scopes for proposals.
- Site visits and job walks as necessary for estimating
- Interpret and explain costs and budgets to project management and field personnel as needed during construction.
- Strive for excellence in every estimate to achieve optimal results and goals.
- Possess an ownership attitude and be willing to grow and mentor other team members.

Reasonable Accommodations Statement

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. Reasonable accommodation may be made to enable qualified individuals with disabilities to perform the essential functions.
