## Position Summary

S&S Paving & Construction is seeking a reliable and detail-oriented Grade Checker to support our field operations. The Grade Checker plays a critical role in ensuring construction projects are built according to design specifications by accurately measuring and verifying elevations, slopes, and alignments on paving and sitework projects.

## Essential Duties and Responsibilities

- Set and check grades to ensure proper elevations, slopes, and alignment for roads, parking lots, and site development projects
- Interpret and work from blueprints, plans, and survey stakes
- Use grade checking equipment such as laser levels, GPS systems, and surveying instruments
- Coordinate with foremen, equipment operators, and project managers to ensure work is performed to specifications
- Mark and verify cut/fill areas and communicate adjustments as needed
- Perform layout for curbing, paving, drainage, and grading work
- Monitor job progress and ensure quality standards are met
- Maintain accurate measurements and documentation of site conditions
- Follow all company safety policies and procedures

## Qualifications

- Previous experience in construction, grading, or surveying preferred
- Familiarity with site development, asphalt paving, or heavy civil construction
- Ability to read and interpret construction plans and grade stakes
- Experience with lasers, GPS, and grading tools strongly preferred
- Strong attention to detail and problem-solving skills

## **Skills and Competencies**

- Excellent math and measurement skills
- Strong communication and teamwork abilities
- Dependability and strong work ethic
- Ability to work independently and take initiative

## **Work Environment**

- Outdoor construction sites
- Exposure to heavy equipment, dust, noise, and varying weather conditions

## **Benefits**

- Competitive pay
- Health, dental, and vision insurance
- 401(k) with company match
- Paid time off and holidays
- Opportunities for advancement
